

# Re-Shoring & Rebuilding Supply Chains

Train the Trainer

## Agenda for Today (90 min):

- Welcome and House Keeping
- Overview of CARES Funded Program
- Vendor Auditing & Supply Chain Risk – Eric Fasser
- Import Substitution, Supply Gap, and Total Cost of Ownership – Harry Moser

# Re-Shoring & Rebuilding Supply Chains

Partnership between Center for Economic Growth, Central New York TDO, and Stony Brook Manufacturing & Technology Resource Consortium (MTRC).

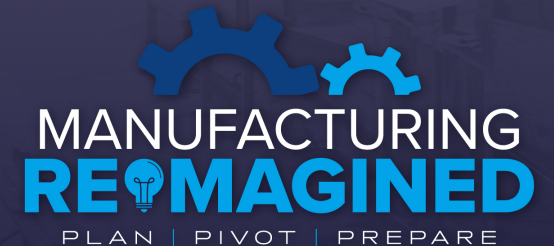

1. Develop Criteria to help NYSTAR Assets and Partners Identify SME's with Reshoring and Supply Chain gaps/opportunities.
2. Establish/Adopt Tools allowing partners to measure and identify SME opportunities for Reshoring or Supply Chain Optimization
3. Survey NYS SME's to collect and aggregate information on impact of supply chain due to COVID19.
4. Engage SME's in project that will assist them in capitalizing on the opportunities identified.
